

Cancer effects all of us in one way or another. We all know someone or we know of someone who has been afflicted by this dreadful disease. It is especially difficult when a child gets cancer because they are so young, full of life, and innocent.

Kingpin's Alley has partnered with Cancer Free Kids to do what we can to help children who are fighting for their lives.

For every 300 game and 800 series thrown at our bowling center, we will make a \$25 donation to Cancer Free Kids. Please feel free to donate as well. Children shouldn't have to worry about living...they should just be able to live.
